WE ARE SEEKING

AT FERROBOTICS
THE IMPOSSIBLE IS ATTAINED
THROUGH CONVICTION

SERVICE TECHNICIAN TO ESTABLISH A BRANCH OFFICE IN CHINA

Full-time

We are looking for a service technician to set up a branch office in China. Your technical education (mechatronics, automation technology, electrical engineering...) as well as customer affinity will inspire you to support our customers in the use of our innovative products. Intercultural experience and international experience in China are desirable. You are open to learning new languages. You are proficient in written and spoken English and German.

YOUR TASKS

- Product service at our branch and on site at customers
- Product training at our branch and on site at customers
- Commissioning on site at customers

A three-month training phase at the headquarters in Linz will support your introduction. With competence and commitment, you can expect an expandable position in an internationally rapidly growing company. This position is remunerated with € 50,000.00 per year. Depending on qualification and experience, there is a possibility of increased salary.

Please send your detailed application and CV to jobs@ferrobotics.at.
